

# Our Fire Risk Assessors

*If you can't identify the hazards you can't assess the risks*

Our two Risk Assessors and Fire Trainers have extensive experience at senior management level in both fire related training, legislation and fire safety risk assessments, along with incident command and fire investigation

## Graham Holden QFSM BSc (Hons) FIFireE

Graham Holden finished his fire service career as Deputy Chief Fire Officer with responsibility for operations and fire safety enforcement throughout the county of Warwickshire. During his 34 years of service he has also held the positions of Training School Commandant, Brigade Training Officer and Senior Fire Safety Officer

In addition to his fire service duties Graham has served in the following positions

- President of the Midlands Branch of the Institution of Fire Engineers
- Chairman of West Midlands Regional Fire Safety Committee for the Chief Fire Officers Association and national representative
- Chairman of West Midlands Communications Committee for the Chief Fire Officers Association and national representative
- Chairman of the Midlands Branch of the Industrial Fire Protection Association

## Glen Miller GIFireE

Glen retired from the Fire Service in 2003 as Area Risk Manager for Warwickshire's busiest fire related area

During his 28-year career he held the position of Industrial and Commercial Training Manager, and carried out the annual training of both senior managers and members of the work staff for national companies such as the House of Fraser Group, Woolworth's, Blue Circle Cement and the Benefits Agency. Glen also undertook training on behalf of private training companies in fire safety legislation and related matters

Glen also held the role as a Specialist Fire Safety Adviser for all aspects of fire safety including courtroom attendances in relation to prosecutions and other fire safety legislation. This experience now places Glen in a valuable position to offer senior managers advice on managing fire safety provision and legal requirements to comply with current legislation

He was also a leading member of the Fire Investigation Team and a Senior Advisor at incidents involving Hazardous Substances.
